

## **August 2014: Tilbury Liaison Committee Meeting Agenda and Membership Details Published**

The Tilbury Liaison Committee (TLC) held its inaugural meeting on Wednesday 13 August at the Tilbury Community Association Hall, Civic Square, Tilbury. The agenda for the first meeting can be viewed by clicking the link below.

Now that the Tilbury Green Power Project is approaching the construction phase, Tilbury Green Power Ltd is establishing the Tilbury Liaison Committee (TLC). The TLC is a quarterly meeting for invited stakeholders to meet with representatives from Tilbury Green Power (TGP) to discuss the construction and operation of the generating station. The objective of the group is to facilitate communications between TGP and the local community.

The names and contact details of the committee are listed below *[please refer to the Tilbury Liaison Committee page of this website for the latest membership and contact details]*. If you have a question that you would like answered by the Committee at a future meeting please get in touch with the appropriate representative:
